

The Institute of Management at the University of St. Gallen | Chair of Professor Ambos seeks to hire a

Research Associate in Strategic Management

PhD Position (70%)

immediately or by mutual agreement.

The position is associated with the study for a doctorate in business administration.

Our offering:

- Challenging research according to international standards (basic and applied research) on topics of strategic management (especially Global Strategy, Global Cities, Strategy in Uncertain Times, Future of Mobility)
- Writing of scientific publications and participation in international conferences
- Support in teaching at Bachelor, Master and PhD level (assistance in courses; supervision of Bachelor/Master theses)
- Collaboration in company cooperations and research consortia

Requirement:

- Completed university studies with honors in economics or a related field
- Interest in scientific working methods; if possible, first experience (e.g. in a master thesis)
- Knowledge of statistics (focus: quantitative research methods)
- Very good knowledge of German and English (Level C1 or higher), oral and written

Application:

Before you submit your application, please ensure that your degree matches the formal requirements to enroll in a PhD program at the University of St. Gallen:

<http://www.unisg.ch/de/studium/zulassungundanmeldung/zuldoktoratsstufe>

Please send your application documents (curriculum vitae, references, letter of motivation and an abstract of your Master's thesis) by e-mail or by conventional means to Natasha Senn, natasha.senn@unisg.ch.

We will review applications as they arrive and until the position is filled. Please indicate the earliest date you could start working.
